Subject: Monday with the Liaisons

Dear Gayla and Kara,

You may release Monday, July 16 from your calendar. Ginger and I had a conversation with Tammy Utter (ESC 15) during lunch. Since Justin Porter and Tammy Pearcy haven't had the opportunity to respond, and you two amazingly talented people are providing significant input on excellent revisions, Monday seemed a little soon to share again. By postponing, Ginger will have the opportunity to share with ESC SPED Directors when she meets with them on July 26 and invite them to come on August 2. We can look at a future time in September or October for you two to share virtually (e.g. zoom webinar) or in person in Austin at a future Liaison week.

I appreciate you both saving time on your calendar and willingness to share your knowledge and expertise. I don't think I sent you the Outlook calendar event for Monday, July 16, so you will need to go in and delete. We'll talk and do some future planning to help Ginger share in a couple of weeks and then with Liaisons at a future date.
